TRUSTED BUILDERS. DELIVERED BEAUTIFULLY.

For more than 20 years, VZ Builders have built and renovated homes for families across Radlett, Hertfordshire and North London.

From **ground-up new builds** to **full renovations, extensions, kitchens, joinery** and **roofing**, every stage of the build is delivered in-house by one team you can actually reach.

We work with families who care how their home is built. And we build every project the way we would build our own.

NEW BUILDS AND FULL HOME RENOVATIONS

Built from the ground up or full home renovations.

We work with your architect or designs to bring your vision to life.

A complete transformation of a 1970s family home in Radlett.

What began as a tired, ivy-covered property became a modern, light-filled family residence.

Managing the build from start to finish over 10 months, VZ Builders delivered a beautiful and modern upgrade.

Before

Homefield Road, Radlett

After

SCOPE OF WORK

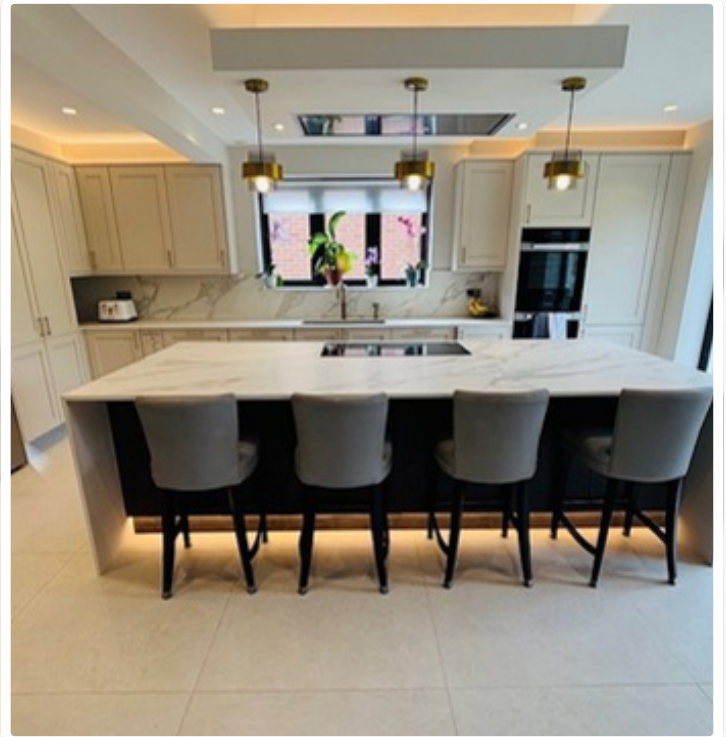

- Full external re-render
- Complete re-roof with new tiles and lead flashing
- New windows and doors throughout
- Full internal strip-out and remodel
- New bespoke kitchen
- New bathrooms and en-suites
- Bespoke fitted joinery throughout
- Full first-fix and second-fix electrics
- Plumbing, heating and underfloor heating
- Plastering, tiling and decoration throughout
- Landscaped garden and patio

KITCHEN INSTALLATION

KITCHEN INSTALLATION

We work with the likes of Howden's, Wren and other premium suppliers, from concept and CAD drawings through to tiling, plumbing and finishing.

Services

BATHROOM INSTALLATION

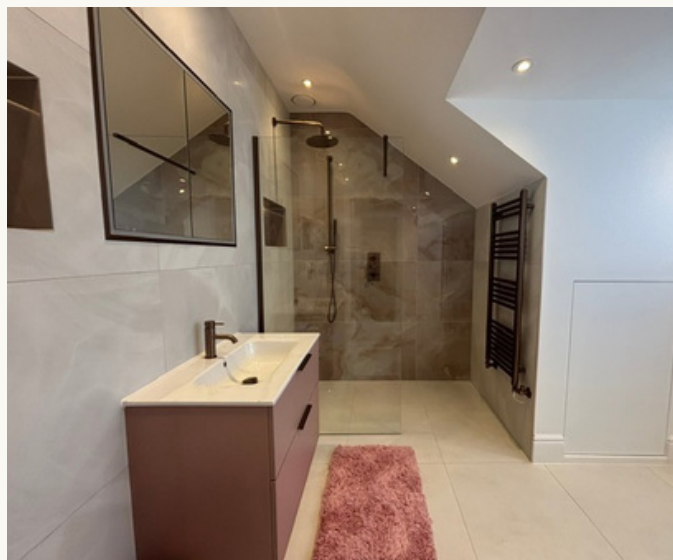

Bathrooms

Bathrooms

Bathrooms

BESPOKE JOINERY

Hand-built fitted wardrobes, kitchens, vanities and under-stair storage. Made to measure by our in-house joiners. Solid timber, hand-finished, built to last.

HOUSE EXTENSIONS

Single-storey, double-storey and wrap-around extensions. Open-plan kitchen extensions. Rear and side-return projects that bring light, space and value to family homes.

ROOFING AND GARDEN ROOMS

New roofs, re-roofing and timber-clad garden offices built to last decades. Slate re-roofs on period properties. Cedar-clad studios at the end of family gardens.
